

FIN|SOFT GOVERNANCE

Stakeholder Oversight & Compliance

FIN|SOFT Governance has been designed for Investment Fund Managers: ManCos & AIFMs, in response to CSSF Circular 18/698.

FIN|SOFT Governance is a powerful RegTech solution for stakeholder oversight & compliance that allows Investment Fund Managers to:

A stakeholder can be a Distributor, Transfer Agent, Portfolio Manager, Individual Investor, UBO etc. FIN|SOFT Governance allows you to apply a risk-based approach on any entity that you have outsourced or delegated activity to.

Investment Fund Managers who use FIN|SOFT Governance perform their stakeholder oversight in one application. This makes evidencing compliance EASY.

Contact us today to discover how **FIN|SOFT Governance** leverages your data and helps you comply with regulations!
